

Good Work Saskatchewan!

Horizon Credit Union and SaskWorks Venture Inc. are proud to sponsor the Good Work Saskatchewan Program. This is a new program developed to recognize individuals, businesses, groups or an organization that have made substantial contributions in communities in Saskatchewan.

This year Horizon Credit Union has selected 5 winners to receive the joint award of recognition. Each community where one of our branches are located has received nominations of a person or organization to receive the Good Works Saskatchewan. In addition to being recognized locally for their contributions, all 5 winners will also be eligible for Provincial Recognition by SaskWorks.
